Re: Baby Friendly Initiative

To Whom It May Concern:

On behalf of the members of the CLCA/ACCL (Canadian Lactation Consultant Association, Association canadienne des consultantes en lactation), the Board of Directors extends sincere congratulations to all the staff who have worked so hard to achieve this prestigious international designation. Your commitment to the mothers and babies you serve and care for will have a new level of excellence. Your leadership is applauded in Ontario and across Canada. This is yet another addition to your already long list of "Awards and Recognition" noted on your website.

As we celebrate World Breastfeeding Week across Canada, we salute you all!

Sincerely,
