

CLCA-ACCL

Supports and Advocates for Canadian Lactation Consultants

CLCA/ACCL envisions a culture in which breastfeeding is acknowledged, promoted, supported, and protected.

4 Main Reasons to Join the ONLY National Canadian Organization for International Board Certified Lactation Consultants

- **RECEIVE:** Our quarterly newsletter, access to Canadian discussion boards, bundled international, national and provincial memberships, JHL publications
- **SHARE:** High quality education, policies, resources and advocacy which relate to and are relevant in Canada
- **VOLUNTEER:** Join fellow LCs working on national policy, national change, and national promotion of the IBCLC designation
- **BENEFITS:**
 - ✓ Access high quality education in your own home or workplace
 - ✓ Links to a network of dedicated lactation consultants working together
 - ✓ Advancement of local Chapters
 - ✓ Web based sharing of resources such as latest articles, research & conference listings
 - ✓ A voice for Canadian LCs especially in government advocacy
 - ✓ Virtual conferences through DVDs & CDs
 - ✓ Promotion of your private practice through website LC listing

*Feeling alone in your efforts, thinking that there has to be a national change in attitude and support?
Join the organization dedicated to the health of your profession and the advancement of your efforts.*
