

IBCLCs:

Protecting, Promoting, Supporting Breastfeeding

Beyond Borders

IBCLC Day

March 4, 2009

Proclamation

WHEREAS, International Board Certified Lactation Consultants acquire expertise through years of study and training in the field of lactation that enables them to provide breastfeeding families with highly specialized care; and

WHEREAS, IBCLCs protect, promote, and support breastfeeding all over the world and work in many diverse settings, including hospitals, public health clinics, community education, research, and private practice; and

WHEREAS, our citizens recognize and value the importance of breastfeeding and support the work IBCLCs do to protect it, thereby empowering families to improve their health;

THEREFORE, the [mayor, city council or commissioners] of [city/region and state/country] does/do hereby proclaim March 4, 2009, as "IBCLC Day" in [city/region and state/country] to recognize the work IBCLCs do to support breastfeeding in our community.
